ENABLING INNOVATION AT THE **SPEED OF LIFE**

## HOSTING: TEACHING THE WORLD TO FORGIVE

### Two Goals

1. To train helpers such as: clergy, chaplains, counselors, psychologists, and coaches to lead people to a place of forgiveness.
2. To provide retreats where people, burdened by resentment, can come and actually engage the forgiveness process.

### Two Programs

Participants will be taught how to lead someone to a place of sustainable forgiveness.  
Cost per person: \$150 or \$125 per person if you bring a colleague.
2. Saturday Program: Personal Forgiveness Healing Retreat: 9:30 - 3:30 pm.
